Number 18-62

30 March 1962

TO : Training Officers of  
DDI, DDP and DDS

## SPECIAL SUMMER PROGRAMS

STATINTL

Certain universities and colleges have scheduled a number of short, intensive courses which may be of interest to Agency personnel. These courses will be offered during the period May-August 1962. For additional information on the above courses, call [REDACTED] in the Admissions and Information Branch/RS/TR, on extension 8271 -- after 11 April, extension 5517. Enrollment in these courses is limited; therefore, applications (Form 136) should be submitted through Training Officers to the External Training Branch/RS/TR as soon as possible.

### Language and Area

Southern Asian Studies--The University of Chicago

18 Jun-31 Aug

The program includes:

- A. Intensive introductory courses in Tamil and Bengali.
- B. Advanced courses in Hindi and Urdu.

Near Eastern Languages--Harvard University

2 Jul-24 Aug

Arabic (Elementary, Intermediate I and II and Advanced)  
Persian (Elementary and Intermediate)  
Turkish (Elementary and Intermediate)

Linguistics--The University of Michigan

25 Jun-18 Aug

In addition to some 30 linguistics courses, intensive courses in Chinese, Greek, Japanese and Russian will be given.

African Studies--Michigan State University

- 20 Jun-15 Aug      The program will include:
- A. A seminar on African linguistics
  - B. Intensive instruction in Yoruba, Ibo, Hausa, Swahili and other African languages.
  - C. Advanced seminars in special topics such as the Geography of Africa, Political Behavior in Africa, and African Peoples and Cultures.

  - C. Teaching of Modern Languages
  - D. English as a Foreign Language

Technical and Scientific

Methods in Radiation Biology--Argonne National Laboratory (Illinois)

- 25 Jun-20 Jul      (Argonne's deadline for receiving applications is 21 May.)

Special Courses--Case Institute of Technology

- 4 Jun-22 Jun      Process Control Theory  
18 Jun-29 Jun      Digital Control Systems Engineering

CIA INTERNAL USE ONLY

Approved For Release 2001/07/16 : CIA-RDP78-03090A000100200014-3  
Case Institute (cont.)

25 Jun- 6 Jul	Electrical Techniques in Biology and Medicine
9 Jul-20 Jul	Analysis of Nonlinear Systems
20 Aug-31 Aug	Tunnel Diode Electronics

X-Ray Diffraction Analysis--Illinois Institute of Technology

4- 8 Jun	X-Ray Diffraction Analysis
11-15 Jun	X-Ray Diffraction Analysis (Advanced)

Infrared Spectroscopy--University of Minnesota

10-14 Jul	Techniques of Infrared Spectroscopy
16-20 Jul	Chemical Interpretation of Infrared Spectra

Engineering Seminars--The Pennsylvania State University

10-13 Jun	High-Speed Flexible Couplings
10-15 Jun	Mechanical Properties and Design
17-22 Jun	Dislocations and Mechanical Properties
17-22 Jun	R & D Management Development
24-29 Jun	Advanced R & D Management Development
24-29 Jun	Theoretical and Experimental Continuum Mechanics
15-27 Jul	Underwater Missile Engineering
22-27 Jul	Underwater Acoustics

Technical Writers' Institute--Rensselaer Polytechnic Institute

11 Jun-15 Jun

Other

Records Management--The American University

4-29 Jun	Sixteenth Institute in the Preservation and Administration of Archives
14-25 May	Ninth Institute on Records Management

Training in Management Analysis--Bureau of the Budget (Courses will be conducted by Ordnance Management Engineering Training Agency, Department of the Army.)

30 Apr- 1 May	Project Planning and Control Orientation (PERT/CPM (closing date for nominations: 6 April))
---------------	---

**Training in Management Analysis (cont.)**

30 Apr-11 May	Management Statistics (closing date for nominations: 6 April)
18 Jun-22 Jun	Introduction to Operations Research (closing date for nominations: 25 May)
9 Jul-13 Jul	Project Planning and Control (PERT/CPM) (closing date for nominations: 15 June)
16 Jul-27 Jul	Automatic Data Processing for the Systems Analyst (closing date for nominations: 15 June)
6 Aug-17 Aug	Management Seminar (closing date for nominations: 9 July)
6 Aug-17 Aug	Procedures Analysis (closing date for nominations: 9 July)

**Institutes on World Affairs**

Institute in Economic, Social and Industrial Development--  
University of Pittsburgh, Graduate School of Public and  
International Affairs. 8 May-28 Jul. (Includes laboratory  
field trip to Jamaica.)

Annual World Understanding Workshop, "The Resurgence of the  
Orient"--Central Missouri State College. 12 June-18 August.

Foreign Policy in the Sixties: A Projection--The Colgate  
Foreign Policy Conference (Hamilton, N. Y.). 10-14 July.

Annual Institute on African Life and History--Hampton Institute.  
26 June-29 July.
